How to Find Out If You Are Eligible to Register to Vote in Your State

Each State has its own laws about who may register and vote. Check the information under your State in the State Instructions.

Note: All States require that you be a United States citizen by birth or naturalization to register to vote in federal and State elections. Federal law makes it illegal to falsely claim U.S. citizenship to register to vote in any federal, State, or local election.

Also Note: You **cannot** be registered to vote in more than one place at a time.

When to Register to Vote

Each State has its own deadline for registering to vote. Check the deadline for your State on the last page of this booklet.

How to Fill Out this Application

Use both the Application Instructions and State Instructions to guide you in filling out the application.

First, read the Application Instructions. These instructions will give you important information that applies to everyone using this application.

Next, find your State under the State Instructions. Use these instructions to fill out Boxes 6, 7, and 8. Also refer to these instructions for information about voter eligibility and any oath required for Box 9.

How to Submit Your Application

Mail your application to the address listed under your State in the State Instructions. Or, deliver the application in person to your local voter registration office.

If You Were Given this Booklet in a State Agency or Public Office

If you have been given this booklet in a State agency or public office, it is your choice to use the application or not.

If you decide to use this application to register to vote, you can fill it out and leave it with the State agency or public office. The application will be submitted for you. Or, you can take it with you to mail to the address listed under your State in the State Instructions. You also may take it with you to deliver in person to your local voter registration office.

Note: The name and location of the State agency or public office where you received the application will remain confidential. It will not appear on your application. Also, if you decide not to use this application to register to vote, that decision will remain confidential. It will not affect the service you receive from the agency or office.

Application Instructions

Box 1 — Name

Put in this box your full name in this order — Last, First, Middle. Do not use nicknames or initials.

Note: If this application is for a change of name, please tell us in **Box A** (*on the bottom half of the form*) your full name before you changed it.

Box 2 — Home Address

Put in this box your home address (legal address). Do **not** put your mailing address here if it is different from your home address. Do **not** use a post office box or rural route without a box number.

Note: If you were registered before *but* this is the first time you are registering from the address in Box 2, please tell us in **Box B** (*on the bottom half of the form*) the address where you were registered before. Please give us as much of the address as you can remember.

Also Note: If you live in a rural area but do not have a street address, or if you have no address, please show where you live using the map in **Box C** (*at the bottom of the form*).

Box 3 — Mailing Address

If you get your mail at an address that is different from the address in Box 2, put your mailing address in this box.

Note: If you have no address in Box 2, you **must** write in Box 3 an address where you can be reached by mail.

Box 4 — Date of Birth

Put in this box your date of birth in this order — Month, Day, Year. *Be careful not to use today's date!*

Box 5 — Telephone Number

Most States ask for your telephone number in case there are questions about your application. However, you do **not** have to fill in this box.

Box 6 — ID Number

Many States use an ID number for record-keeping purposes. To find out what ID number, if any, you need to put in this box, see item 6 in the instructions under your State.

Box 7 — Choice of Party

In some States, you must register with a party if you want to take part in that party's primary election, caucus, or convention. To find out if your State requires this, see item 7 in the instructions under your State.

If you want to register with a party, print in the box the full name of the party of your choice.

If you do **not** want to register with a party, write "no party" or leave the box blank. Do **not** write in the word "independent" if you mean "no party," because this might be confused with the name of a political party in your State.

Note: If you do not register with a party, you can still vote in general elections and nonpartisan (nonparty) primary elections.

Box 8 — Race or Ethnic Group

A few States ask for your race or ethnic group, in order to administer the Federal Voting Rights Act. To find out if your State asks for this information, see item 8 in the instructions under your State. If so, put in Box 8 the choice that best describes you from the list below:
