Next Steps

How to Apply for Coverage

You may apply for coverage at any time for yourself and your dependents, but if you apply for coverage after your enrollment deadline, you and your dependents will need to complete a medical questionnaire which you can get from your Plan Administrator. You and your dependents may also be required to take certain medical tests at Unum's expense.

Employees and dependents currently enrolled: See "How to Make Changes to Current Coverage" below.

How to Make Changes To Current Coverage

Each year you will be given the opportunity to purchase additional Life coverage for yourself and your dependents. You may purchase additional Life coverage up to the Guarantee Issue amounts for yourself and your dependents at the annual enrollment without evidence of insurability if you are already enrolled in the plan. Please see your Plan Administrator for date of annual enrollment. Additional Life coverage over the Guarantee Issue amounts will be medically underwritten and will require evidence of insurability and approval by Unum's Medical Underwriters. If you are already enrolled in the plan, you may also increase your coverage with evidence of insurability at any time during the year. The suicide exclusion will apply to any increase in coverage.

Delayed Effective Date of Coverage

Employee: Insurance coverage will be delayed if you are not in active employment because of an injury, sickness, temporary layoff, or leave of absence on the date that insurance would otherwise become effective.

Dependent: Insurance coverage will be delayed if that dependent is totally disabled on the date that insurance would otherwise be effective. Exception: infants are insured from live birth.

"Totally disabled" means that, as a result of an injury, a sickness or a disorder, your dependent is confined in a hospital or similar institution; is unable to perform two or more activities of daily living (ADLs) because of a physical or mental incapacity resulting from an injury or a sickness; is cognitively impaired; is receiving or is entitled to receive any disability income from any source due to any sickness or injury; is receiving chemotherapy radiation therapy or dialysis treatment or has a life threatening condition.
